    6. K-7 Trip Only Permission Slip
    7. **OPTIONAL INFORMATION TO DOWNLOAD:**

      - b. 2015 Event Details

**(You must open, print, and mail in #'s 3, 4, and 5 to have a complete registration packet.)**

(A bus schedule for Glen Gardner students will not be available until after registration has closed on June 24th. If your child is a Glen Gardner bus rider, I will contact you the Friday prior to the first day of recreation.)

2. If you **DO NOT** have access to the Internet or printing capabilities, you may go to the Town Hall and pick-up a hard copy of the registration information. Please be sure to specifically ask for a packet that is appropriate for your child's current grade.
3. **IMPORTANT INFORMATION:** There is a cap on the number of students allowed to attend each trip and/or event. Please note that you **MUST** send in two **separate** checks when registering your child(ren) this summer. If your child registers for a trip and it is full – you **WILL** receive a refund for that trip. We will be posting updates on the website to let people know when a trip is full. The status will say **TRIP CLOSED**. Please check the site prior to sending in your forms.
